

Machine Name : Vertical Machining Center

Brand : WELE

Machine Model : CV-1475

Stock No. : 813236

Ex-factory Date : 2022

Main Technical Parameters:

CNC System: FANUC Oi-MF Plus

Three-axis travel: 1450 x 750 x 750 mm

Worktable size: 1550 x 750 mm

Drive motor: FANUC α (Alpha) motor

Spindle speed: 10,000 rpm

Spindle: BT40, direct drive

Tool magazine: 24-tool arm-type magazine with inverter, Taiwan Beiju

Guideways: Taiwan Hiwin roller linear guides on all three axes, 4 guideways on the Y-axis

Configuration

Spindle oil chiller

Three helical chip conveyors
