

Machine Name : Horizontal Machining Center

Brand : HYUNDAI WIA

Machine Model : HS630

Stock No. : 813249

Ex-factory Date : 2005

Main Technical Parameters:

CNC System: FANUC 18i-MB

Worktable size: 630 × 630 mm, with dual workstations

Three-axis travel: 1050 × 875 × 875 mm

Spindle speed: 6000 rpm

Rotary worktable: 0.001° high-accuracy rotary worktable

Tool magazine capacity: 60 tools

Configuration:

Spindle equipped with through-spindle coolant

Three-axis heavy-duty linear guideways
