

Machine Name : Automatic lathes

Brand : Citizen

Machine Model : A20-3F7

Stock No. : 4813019

Ex-factory Date : 2021

Main Technical Parameters:

CNC System: FANUC 0i-TD

Maximum machining length: 200 mm

Maximum bar stock diameter: Ø20 mm

Maximum speed of main/back spindle: 10,000 rpm

Configuration:

LFV chip-breaking cutting function

Spindle-side milling unit

Rotating guide bush

High-pressure coolant pump

Transformer

Oil mist collector

Bar feeder
