

Machine Name : 5 Axis Machining Center

Brand : DMG

Machine Model : DMU 75 monoBLOCK

Stock No. : 69176

Ex-factory Date : 2023

Main Technical Parameters:

CNC System: Siemens 840 D sl Operate

three-axis travel: 750*650*650mm

Spindle speed: 20,000 rpm

magazine capacity: 60, chain type

NC rotary swing Worktable

Worktable size: 800*650 mm

spindle tool holder: HSK A63

Swing Angle

To the working spindle: +120°

Self-operating spindle: -120°

From 0° position (horizontal

Rotation range: C-axis: Continuous rotation

Machine usage duration: 4,000 hours

Configuration

Scraper type chip conveyor

Rinse the iron filings inside the door

Probe Renishaw PP60

3D quickSET Extension package (Without hardware)
