

Machine Name : CNC turning lathe

Brand : KIA

Machine Model : SKT100Z

Stock No. : 69246

Ex-factory Date : 2015

Main Technical Parameters:

Bed rotation diameter :550mm

workpiece length :300mm

workpiece diameter :350mm

Spindle speed :6000rpm

The diameter of spindle through hole is 52mm

CNC System: FANUC

Servo tool turret 12 positions

chuck : 8-inch freshly installed
