

Machine Name : CMM

Brand : ZEISS

Machine Model : 776

Stock No. : 468970

Ex-factory Date : 2017

Main Technical Parameters:

I. Measuring Machine CNC System

1. Host: Second-hand Zeiss high-performance coordinate measuring machine CMMSPECTRUM7/7/6
- 2 Control CNC System: Scanning Control CNC System C99
- 3 Control Panel: Dual-Tool holder intelligent operation panel
- 4 Standard Balls: High-precision standard ceramic ball subassembly, diameter: 30mm

li. Computer CNC Systems

1. HP High-end Graphic Workstation Z2 for Computer CNC System
- 2HP 24-inch LCD monitor
3. Computer Windows 10 operating CNC System
- 4 Keyboard and mouse set
- 5USB-dongle/hard lock for CALYPSO/ CMM-OS/ CALIGO license

lii. Computer CNC Systems

- 1 Measurement Software: CALYPSO CNC Universal Measurement Software Platform (Chinese/English)
- 2CAD interfaces: SAB, SBT model input/output interfaces

Iv. Probe CNC System

- 1 Probe CNC System: VAST XXT contact point trigger probe and continuous scanning probe
- 2 suction cups: 2 VAST XXT suction cups
