**Machine Name : turret punch press W/tooling**

**Brand : TAILIFT**

**Machine Model : VISE1250**

**Stock No. : 469207**

**Ex-factory Date : 2007**

**Main Technical Parameters:**

The maximum machining size of the plate: 1250mm × 2500mm
Maximum machining plate thickness: 6.0mm (carbon steel) / 3.0mm (stainless steel)
X-axis/Y-axis travel: 1250mm × 2500mm
Worktable size: 1550mm × 3000mm
Stamping tonnage: 20 tons (200 KN)
HERMLE travel: 25.4mm
Maximum stamping frequency: 400 times per minute (short-step stamping mode)
Positioning precision: ± 0.1mm
Repeated Positioning precision: ± 0.05mm
