

Machine Name : Numerical control lathe

Brand : DMG

Machine Model : CTX510eco

Stock No. : 80123

Ex-factory Date :

Main Technical Parameters:

With hydraulic center frame

Length :1150mm, Rotary diameter :465mm
Rotation range on the machine surface :680mm
Transmission range on X skateboard :465mm
XZ axis ball screw drive D*P:40*10mm
XZ feeding force :7.5kn
XZC1 axis fast moving speed :30/30/100m/min
Chuck diameter :250mm
Spindle hole diameter :103mm
Spindle power :22/33kw
Bar through hole :76mm
Turning diameter :465mm
XZ axis travel :300*1050mm
