Machine Name : CNC Gantry machining Center

Brand : Haitian

Machine Model : GU6HS

Stock No. : 69445

Ex-factory Date : 2025

Main Technical Parameters:

CNC CNC System: FANUC MF PLUS

Maximum spindle speed: 6000rpm, BT50 tool holder, gear drive, maximum torque 520Nm

WorkWorktable length and width: 1500mm × 850mm

The width of the Gantry gate is 1700mm

The height of the gantry door is 1000mm

The three-axis travel of X/Y/Z: 1800mm × 850mm × 800mm

tools magazine: 24 tool arm-type tools magazine

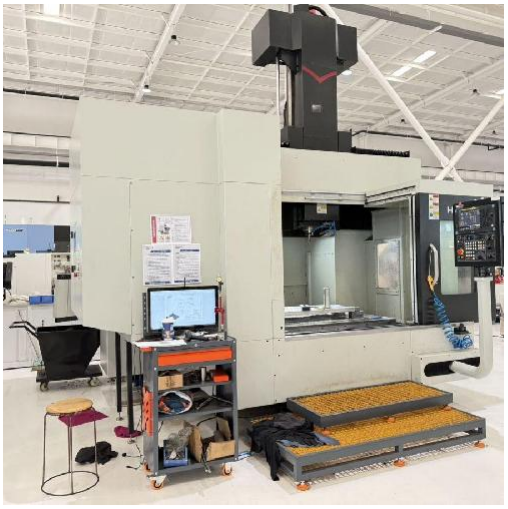

Electrical parameters: 3/PE three-phase, 380V, 50Hz, full-load current 100A, capacity 40kVA, rated short-circuit current 18kA
