Machine Name : 5 Axis Machining Center

Brand : Makino

Machine Model : L2

Stock No. : 813617

Ex-factory Date : 2018

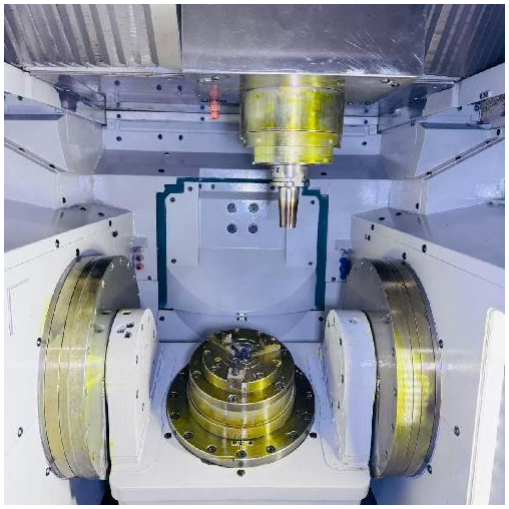

Main Technical Parameters:

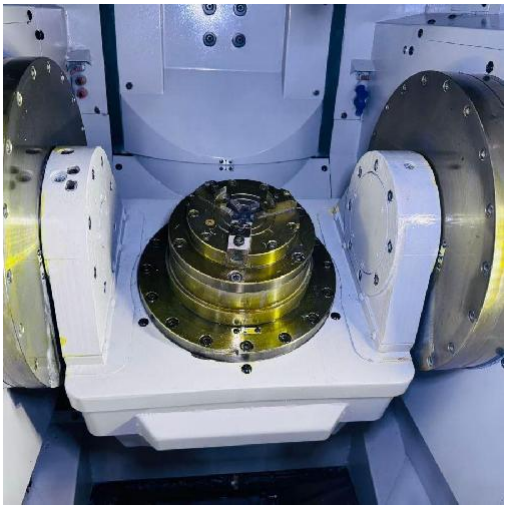

CNC System: FANUC 31i-B
Spindle interface: HSK-A50
Spindle type: Electric spindle
Maximum spindle speed: 25,000 rpm
Spindle power: 15 kW
Tools magazine capacity: 15
Guideway type: Three-axis linear guideways
Three-axis travel (X/Y/Z): 400 × 300 × 300 mm
Three-axis rapid traverse rate: 30 m/min
A-axis swing range: -20° to 110°
Full closed-loop control: X/Y/Z/C axes with linear glass scale feedback
Measurement accuracy:
Spindle radial runout: 0.006 mm
Spindle test bar top generatrix runout: 0.005 mm
Spindle test bar side generatrix runout: 0.005 mm
