Machine Name : Vertical Grinding Machine

Brand : TAIYO KOKI

Machine Model : IGV-5NA

Stock No. : 813618

Ex-factory Date : 2006

Main Technical Parameters:

CNC System: FANUC 32i-Model A
Grinding bore diameter range: Ø25–Ø500 mm
Maximum external grinding diameter: Ø500 mm
Maximum grinding length: 400 mm
Maximum worktable load capacity: 500 kg
Applications:
Precision internal grinding of bearings, hydraulic components, gears, and large sleeve-type components.

PamtonSchnell
