**Machine Name : Press machine**

**Brand : JING DUANN**

**Machine Model : FP-800**

**Stock No. : 69519**

**Ex-factory Date : 2012**

**Main Technical Parameters:**

CNC System: PLC-specific forging Control CNC System
Nominal pressure: 800 tons
Slider travel: 250mm
Sealing height: 650 mm
travel frequency: 85 consecutive SPM, 16 working SPM
Main motor power: 45 kW
Overall weight: Approximately 52,000 kg
