Machine Name : 5 Axis Machining Center

Brand : DMG

Machine Model : DMU 270 P

Stock No. : 813650

Ex-factory Date : 2015

Main Technical Parameters:

CNC System: Heidenhain iTNC 530 HSCI
Maximum travel (X × Y × Z): 2700 × 2700 × 1600 mm
Worktable diameter: Ø 2,200 mm
Electric spindle speed: 12,000 rpm
Spindle power: 44 / 32 kW
Spindle interface: SK50
Magazine capacity: 63 tools
Central coolant supply: 40 bar
Configuration:
ACC active vibration suppression function (improves machining surface quality, reduces machining time, and extends tool life)
Minimum quantity lubrication system (MQL)
Spindle through-tool air blast function
