Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : NHP6300

Stock No. : 80136

Ex-factory Date :

Main Technical Parameters:

Doosan 630 horizontal double posiontion machining center imported from South Korea

Precision as same as new machine, price as same as second-hand machine

Worktable size: 630*630mm

x*y*z axis stroke: 1000*800*850mm

Spindle speed: 6000rpm

With center flushing

Gearhead: 1°/1′

Worktable load: 1200kg

Load capacity: 18.5kw

Machine weight: 18000kg

Tool magazine: 41

System: Fanuc system 31imb, B system
