Machine Name : Punch

Brand : AIDA

Machine Model : NS1-2000

Stock No. : 69549

Ex-factory Date : 2020

Main Technical Parameters:

Nominal capacity: 2000 kN (200 tons)
travel length: 250mm
Continuous travel: up to 40 spm
Closed mold height: 450 mm
Slider adjustment length: 110mm
Slider size (left-right × front and back) : 1000 × 650 mm
Worktable size (left-right × front and back) : 1250 × 840 mm
Main motor power: 40 kW
Supply air pressure: 0.5 MPa
Maximum overhang mass of the upper mold: 1000 kg
