Machine Name : Punch

Brand : AIDA

Machine Model : DSF-C1-800A2

Stock No. : 69550

Ex-factory Date : 2022

Main Technical Parameters:

CNC System: AIDA original servo CNC System
Pressurization capacity: 800 kN (80 tons)
travel length: 160mm
Continuous travel count: 1-80 spm
Closed mold height: 320mm
Slider adjustment range: 80mm
Supply air pressure: 0.5 MPa
Maximum hanging mass of the upper mold: 183 kg
