Machine Name : CMM

Brand : HEXAGON

Machine Model : 09.15.08-Chrome

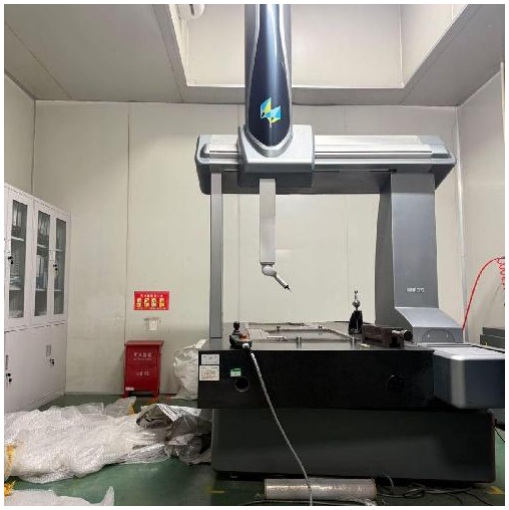

Stock No. : 69622

Ex-factory Date : 2018

Main Technical Parameters:

Equipment weight: 2600 kg
Measurement travel: X900 × Y1500 × Z800mm
The Overall dimensions of machine are 1598 × 2755 × 3150 mm
Type: Bridge-type CNC coordinate measuring machine
Software: PC-DMIS (standard configuration)
drive: Full-shaft air bearing, METALLUR® glass scale
Chrome version: With COMPASS high-speed scan vibration reduction function
