

Machine Name : Machining Center

Brand : AgieCharmilles

Machine Model : HEM 800

Stock No. : 70289

Ex-factory Date :

Main Technical Parameters:

Three axes travel: 850x530x600mm

Worktable size: 1050x560mm

Worktable load: 1000kg

Distance between worktable surface and spindle nose: 150-750mm

Main motor power: 9.5kw

Spindle speed: 9000/18000rpm

Working feed: 30-30-30-min

Rapid feed: 30m min

Ex-factory date: 2016

Tool weight: 7100kg

System: Heidenhain TNC620 system

Magazine: 24 disc type BT40 spindles

Remote jog handle

Spiral chip conveyor

three linear guideways

three axes with glass scale
