

Machine Name : CNC lathe with inclined rail

Brand : OKUMA

Machine Model : HL-35

Stock No. : 30043

Ex-factory Date :

Main Technical Parameters:

System OSP5020L-G rotary diameter 600 machining diameter 450 machining length 600
turret: upper turret 12 stations lower turret 10 stations spindle through hole 90 spindle
speed 3200 RPM spindle motor 22KW
