Machine Name : CNC lathe with inclined rail

Brand : OKUMA

Machine Model : HL-35

Stock No. : 30043

Ex-factory Date :

Main Technical Parameters:

System OSP5020L-G

rotary diameter 600

machining diameter 450

machining length 600

turret: upper turret 12 positions ,lower turret 10 positions

spindle through hole 90

spindle speed 3200 rpm

spindle motor 22KW

PamtonSchnell
