

Machine Name : Horizontal machining center

Brand : STARRAG-HECKERT

Machine Model : CWK630

Stock No. : 80310

Ex-factory Date :

Main Technical Parameters:

Brand: STARRAG-HECKERT

Model: CWK630

XYZ Travels: 1050-900-800mm

Worktable size: 630×630mm

Change by direct rotation

B axis indexing revolution: 1deg

Fourth axis with Heidenhain glass scale

Movement speed: 65 m/min

Tool changing time: 1s

System: Siemens 840D

HSK100 high speed spindle

60 tools magazine with center flushing

Seldom used since installation with intact accuracy
