

Machine Name : CNC gantry boring and milling machine

Brand : Sino-Czech

Machine Model : GMB400

Stock No. : 80309

Ex-factory Date :

Main Technical Parameters:

Brand: ZOJE

Model: GMB400

System: Siemens 840D

Three axes with glass scale

Z axis square ram: 500×500mm

Worktable size: 4000 x 16000mm

Distance between two columns: 5050mm

Maximum load of worktable: 7T

Three-axis Travel: X16500mm; Y4800mm; Z1500mm

Maximum distance from spindle nose to column: 2500mm

Minimum distance from spindle nose to worktable surface: 1000mm

Gear spindle speed: 40 ~ 2000r/m

Main motor power: 37/51kw
