

Machine Name : Vertical machining center

Brand : WELE

Machine Model : CV-1060

Stock No. : 80299

Ex-factory Date :

Main Technical Parameters:

Brand WELE

Model CV-1060

New machine never used with ex-factory year of 2018

Three axes with linear guideway

Taiwan Loyal directly connected spindle 12000 rpm

24 fully enclosed mechanical arm tools magazine

Chain type chip conveyor

Fanuc MF system

Alpha motor drive

High configuration
