

Machine Name : Slow-moving wire

Brand : AgieCharmilles

Machine Model : CUT 20P

Stock No. : 70406

Ex-factory Date :

Main Technical Parameters:

Brand: AgieCharmilles

Model: CUT 20P

Size (L x W x H) 2500x2500x2200mm

Total weight (excluding dielectric) 3000kg

X,Y, Z axes travel 350x250x250mm

U, V axes travel 90x90mm

Workpiece size (length x width x height) 900x680x250mm

Workpiece weight (excluding side slot) 400kg

Taper/height $\pm 25^\circ/80\text{mm}$

Capacity of dielectric box 800L

Diameter of electrode wire (standard) 0.30-0.15mm
