

Machine Name : CNC lathe

Brand : HYUNDAI KIA

Machine Model : SKT25

Stock No. : 30050

Ex-factory Date :

Main Technical Parameters:

Chuck: 10 inches □with roller linear guideway

Turret: 12 positions servo turret

Rotary diameter :550mm

Turning length :410mm

Machining diameter :350mm

Spindle through hole :65mm

Spindle speed :4000rpm

Spindle power :15/11kw

Weight: 4100kg

With: chip conveyor,chip bucket

Normal operation on electricity, with μ m grade
