

Machine Name : Vertical machining center

Brand : AWEA

Machine Model : NFV-1250B

Stock No. : 80361

Ex-factory Date :

Main Technical Parameters:

Three axes travel :1250×620×620mm

Worktable size: 1350×620mm

Three axis 45 roller linear guideway, including automatic chip conveyor

Fanuc oi-MF system with 320 4th axis

Spindle power 18.5KW, fast movement 36m

Spindle : BT50 direct spindle, 8000rpm

Equipped with DETA magazine of 24 tools , including hydraulic station

Equipped with spindle oil cooler
