

Machine Name : Gantry machining center

Brand : Hision

Machine Model : GLU28*40

Stock No. : 80357

Ex-factory Date :

Main Technical Parameters:

Tall type machine,

with a milling head,

Worktable size 2*4 meters,

Gantry Width 2.8 meters,

Gantry Height 1.6 meters,

Fanuc system,

only used for a few thousand hours
