

Machine Name : Vertical machining center

Brand : Okuma

Machine Model : MXR-460V-e

Stock No. : 80342

Ex-factory Date :

Main Technical Parameters:

Spindle type: BT40

Spindle speed: 8000rpm

Spindle motor: High speed Vac 7.5kw

Three axes travel: 762*460*450mm

Three axes guideway: Linear guideway

Three axes movement: 36*36*30mm

Tool magazine: 20 positions

System: OSP-P300MA-e

Accessories:

Highly rigid linear guideway,

strong spindle head,

high speed corner hi-cut function,

super-nurbs curve surface automatic acceleration control function
