

Machine Name : CNC lathe

Brand : EMCO

Machine Model : Turn E65

Stock No. : 80391

Ex-factory Date :

Main Technical Parameters:

Highly rigid CNC lathe with high accuracy

Maximum swing diameter over bed 550mm

Maximum turning diameter 320mm

Fanuc servo spindle speed 4200rpm

X axis travel 420mm, Z axis travel 620mm

8 inches hydraulic chuck, 12 positions turret

With hydraulic tailstock, Linear guideway machine, Fast moving rate of 24m/min

Contact type tool aligner, seldom used after installation, accuracy intact!
