

Machine Name : Vertical machining center

Brand : Victor

Machine Model : Vcenter-130

Stock No. : 80390

Ex-factory Date :

Main Technical Parameters:

System: Fanuc MD1 , alpha motor drive

Guideway: Two linear guideways and one rigid guideway, travel: 1300-600-610mm

Spindle: BT50 gear spindle, 6000 RPM, 18.5KW

Magazine: 24 ATC.

Accessories: oil cooler, hydraulic station

Two linear guideways and one rigid guideway, BT50 full tooth gear spindle, excellent accuracy, great stability, enough rigidity
