

Machine Name : CNC lathe

Brand : HARDINGE

Machine Model : TALENT 8-52

Stock No. : 80411

Ex-factory Date :

Main Technical Parameters:

Fanuc TD system

af high torque motor

8 "hollow chuck

12 positions servo turret

With tailstock and chip conveyor

Linear guideway with high accuracy

Working sound of each spindle is very low

Turning diameter 460mm

Machining length 450mm

Within 0.01mm accuracy
