

Machine Name : Four axis machining center

Brand : CITIZEN

Machine Model : Cincom A20

Stock No. : 10413

Ex-factory Date :

Main Technical Parameters:

Max. machining diameter $\varnothing$ 20 mm

Max. frontal drilling diameter $\varnothing$ 10 mm

Max. frontal tapping diameter M8

Max. spindle speed 10000 rpm

Max. drilling diameter of row rotating tool $\varnothing$ 7 mm

Max. tapping diameter of row rotating tool M6

Spindle speed of row rotating tool 4800/6000 rpm

Max. clamping diameter of back spindle $\varnothing$ 20 mm

Max. workpiece extension of back spindle 50 mm

Max. drilling diameter of back processing $\varnothing$ 8 mm

Max. tapping diameter of back spindle M6

Max. speed of back spindle 8000 rpm
