

Machine Name : Milling machine

Brand : QIJ

Machine Model : YB6016

Stock No. : 70591

Ex-factory Date : 2006

Main Technical Parameters:

Machining diameter :160mm

Machining length :1350mm

Installation diameter :500mm

Number of machining spline tooth :4-36

Milling cutter speed :50-160rpm

Distance between workpiece center and milling cutter center line :50-145mm

Main motor power :4kw

Machine weight :6800kg

Machine footages :3225x1607x1640mm
