

Machine Name : Horizontal machining center

Brand : CHEVALIER

Machine Model : QP2855

Stock No. : 80608

Ex-factory Date : 2016

Main Technical Parameters:

Worktable size: 1500x650mm

Three axes travel: 1400x700x650mm

Spindle speed: 7000rpm

ZF gear box: two gears

Spindle type: BT50

System: Fanuc 18i MB

Spindle oil cooler system

Spindle center flushing

Built-in four rows spiral type chip conveyor

External chain type chip conveyor

24 tool arm type tools magazine
