

Machine Name : Vertical machining center

Brand : JIRFINE

Machine Model : V-8

Stock No. : 80660

Ex-factory Date : 2016

Main Technical Parameters:

Direct connected spindle speed: 10000rpm

Three axis travels: 800x500x550mm

Worktable size: 1000x500mm

System: Mitsubishi M70

Tool holder type: BT40

With an upward type chip conveyor

24 tools
