

Machine Name : Gantry machining center

Brand : HISION

Machine Model : THM-1000G

Stock No. : 80694

Ex-factory Date : 2014

Main Technical Parameters:

System : Fanuc oi-MD1 system, Alpha motor drive

Spindle: BT50,short nose gear spindle

Three axes travel: 150/1000/700 mm

Worktable size: 1500 * 1000 mm

Guide: two linear guideways and one rigid guideway, XY axes German linear roller guideway

With chain type conveyor, screw chip conveyor, spindle oil cooler, hydraulic station
