

Machine Name : The number of heavy control milling machine

Brand : HONGGUANG WEIYE

Machine Model : VMC-855L

Stock No. : 80778

Ex-factory Date : 2017

Main Technical Parameters:

System : Mitsubishi M70 A, integrated drive

Spindle: Taiwan Royal BT40 spindle, belt type spindle speed: 8000 RPM

X*Y*Z axis travels: 800 *550 *550 mm

Worktable size: 1000 * 550 mm

Guideway: two linear guideways and one rigid guideway, heavy type machine body, YX axes with roller linear guideway

With rear water tank, spindle oil cooler
