

Machine Name : Precision NC turret lathe

Brand : Miyano

Machine Model : BNC-42C5

Stock No. : 80806

Ex-factory Date : In 2011

Main Technical Parameters:

Maximum machining diameter :42mm

Maximum machining length: bar/claw 150/175mm

Spindle rotation range :170~5,000rpm

X*Z travels :100*185mm

8 positions turret, can be installed with 6 inch chuck

Machine floor area 2050*1250mm

Machine weight 2800 kg
