Machine Name : Digital display horizontal milling and boring machine

Brand : KUNMING Machine Tool

Machine Model : TX6113A/2

Stock No. : 80906

Ex-factory Date : 2009

Main Technical Parameters:

Three-axis travels: 1800*1400*2000mm

Worktable size :1500*1250mm

Spindle diameter :130mm

Spindle speed :6.6-755rpm

Main motor power :11kw

Max. Spindle drilling diameter :80mm

Max. Spindle boring diameter:350mm

Max. Face head boring diameter:700mm

Spindle with broach and digital display

Guideway in good condition
