

Machine Name : Horizontal machining center

Brand : Makino

Machine Model : MCC1513

Stock No. : 80951

Ex-factory Date : 2013

Main Technical Parameters:

Three axes travel: 1500*1350*1300mm

Worktable size: 1200*1500mm

Spindle speed: 15000rpm

Tool magazine: 6

Tool holder type: HSK100

Worktable indexing resolution: 0.001°

Full close loop control

Three axes rigid guideway

Spindle with high pressure center flushing
