

Machine Name : Cylindrical mill

Brand : Shanghai Machine Tool

Machine Model : 1420

Stock No. : 70735

Ex-factory Date : 2017

Main Technical Parameters:

Grinding diameter × Grinding length 200 × 500mm

Center height 135mm

Space between centers 750mm

Grinding external diameter 8mm

Grinding internal diameter 35mm

Workpiece weight 50Kg

Longitudinal movement 550mm

Grinding wheel size (external diameter × width × internal diameter) 400 × 50 × 203mm

Grinding wheel linear speed 35m/s

Grinding wheel spindle speed 1670r/min
