

Machine Name : Heavy cutting inclined rail CNC lathe

Brand : Kia

Machine Model : SKT300

Stock No. : 10683

Ex-factory Date : 2015

Main Technical Parameters:

CNC System: FANUC TD

X*Z axis travel: 620*750mm

Servo spindle :22KW

Hollow hydraulic chuck :12 inches

Through hole :80mm

Heavy duty servo turret :12 positions

Spindle rotating diameter :620mm

Two axes rigid guideway

Hydraulic tailstock
