

Machine Name : Turn-milling combination

Brand : Doosan

Machine Model : LYNX235M

Stock No. : 81561

Ex-factory Date : 2020

Main Technical Parameters:

CNC System: FanUC Oi-TF1

X*Z axis travel: 175*550mm

Spindle: Korea SAMCHULLY 8-inch hydraulic hollow chuck

Spindle speed: 4500rpm

Spindle power: 15KW

Turret :24 positions servo turret

Guideway: Two axes linear guideway

Maximum machining diameter :250mm

Maximum machining length :480mm

Maximum bar diameter :65mm

Automatic cutter aligner

Tailstock

Chain chip conveyor
