Machine Name : Turn-milling combination

Brand : Doosan

Machine Model : LYNX 235M

Stock No. : 81741

Ex-factory Date : 2020

Main Technical Parameters:

CNC System: Fanuc Oi-TF

X*Z axis travel: 175*550mm

Spindle chuck: SUMCHULLY 8-inch hydraulic hollow chuck

Spindle speed: 4500rpm

Spindle power:15KW

Turret :24 positions servo turret

Maximum machining diameter :250mm

Maximum machining length :480mm

Maximum passable bar diameter :65mm

Machining time: more than 2000 hours

Automatic cutter aligner

Tailstock

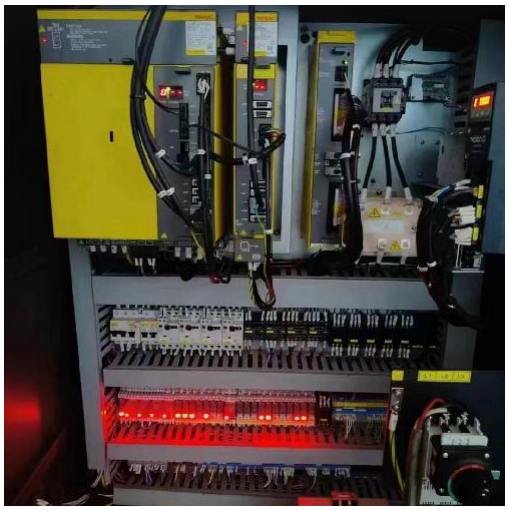

Chain chip conveyor

Two axes linear guideway

Five live tools

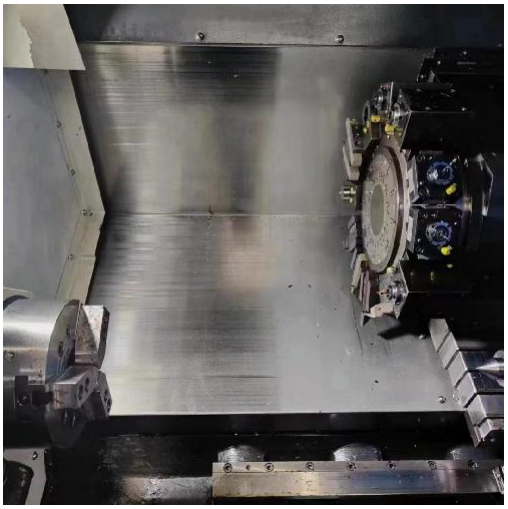

10 tool holders

PamtonSchnell
