Machine Name : CNC lathe

Brand : ACE

Machine Model : J300

Stock No. : 81782

Ex-factory Date : 2019

Main Technical Parameters:

CNC System: FANUC Series Oi-TF

X*Z axis travel: 325*300mm

Maximum machining diameter: 360mm

Maximum machining length: 300mm

Maximum rotating diameter over bed: 500mm

Spindle through hole diameter: 47mm

Three-jaw chuck diameter: 6 inches

Spindle motor power: 7.5kw

Maximum spindle speed: 5000rpm

Machine length * width * height: 2000*1750*1750mm

Machine weight: 3200kg

Power on time: several thousand hours

8 positions turret

Hydraulic tailstock

Linear guideway machine
