Machine Name : CNC lathe

Brand : Doosan

Machine Model : LYNX 220G super

Stock No. : 81810

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: Fanuc Oi-TF

Spindle speed: 8000rpm

Maximum machining diameter: 170mm

Maximum workpiece length: 322mm

X*Z axis travel: 450*330mm

6 inches hollow hydraulic chuck

Two axes roller linear guideway

Two-axis feedback,available to be faster

Tool aligning, can greatly shorten machining time
