Machine Name : Turn-milling combination

Brand : CHIAN CHYUN

Machine Model : CT - 52 ym

Stock No. : 81912

Ex-factory Date : 2015

Main Technical Parameters:

Machining external diameter :190mm

machining length :400mm

Bar machining capacity :51mm

Rotating diameter 830mm

Distance between centers 920mm

B axis travel :635mm

High spindle speed :6000rpm

Spindle center height :1188mm

Spindle through hole 60.5mm

Spindle bearing diameter 90mm

Main motor power :7.5/11kw

Double spindle, double Turret

Total power: 53kw
