Machine Name : Turn-milling combination

Brand : GOODWAY

Machine Model : GLS-200M

Stock No. : 81935

Ex-factory Date : 2013

Main Technical Parameters:

CNC System: Fanuc TD CNC System

Rotating diameter: 560mm

Machining diameter: 400mm

Spindle speed: 4200rpm

Machining length: 500mm

8 inches hollow chuck

12 positions power turret

Hydraulic tailstock

Chain chip conveyor

High accurate linear guideway

One transverse live tool

Milling function

PamtonSchnell
