

Machine Name : CNC lathe with inclined rail

Brand : Kia

Machine Model : SKT25

Stock No. : 81849

Ex-factory Date : 2013

Main Technical Parameters:

CNC System: FANUC TD CNC System

X*Z axis travel :420*430mm

Main motor power: 11kw

Rotating diameter: 550mm

Through hole: 65mm

10 inches hollow hydraulic chuck

12 positions servo turret

Two axes linear guideway

Rear chip conveyor

Accuracy of μm class
