Machine Name : Gantry CNC milling machine

Brand : TAIGONG

Machine Model : TG-2518

Stock No. : 82182

Ex-factory Date : 2021

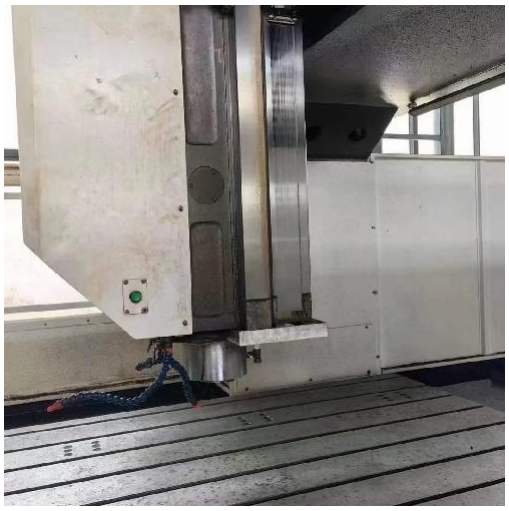

Main Technical Parameters:

Three axes travel: 2700×2000×1100mm
Worktable size: 2500×1600mm
Gantry passable width: 1800mm
Die height from worktable to beam: 1350mm
Spindle: T50
Spindle speed: 6000rpm
Spindle diameter:190mm
With oil cooling
Side double-spiral chip conveyor
Two linear guideways and one rigid guideway
XY axes heavy duty 55 roller linear guideway
